

Children of Anson Reed Morrison. Mary C. (Lottie) later marries a Buckley. Article in Albany Newspaper.

Albert J. Morrison was born March 24, 1871. His sister, Mary C. Morrison was born November 6, 1872. Albert lived at least to 1885 when his guardianship was transferred to Steven McGrail due to the death of John. Little more is known of Albert.

However, Mary C. is the featured daughter in the newspaper article on Anson Reed's civil war picture. She lived in Albany at the time, and was at that time Mrs. Buckley.

Conversations with another cousin in Massachusetts confirm that this lady was

"Lottie" Buckley, the Lottie being short for Charlotte, the name of Anson Reed's mother, Charlotte Brown Reed Morrison (1812-1877). Charlotte was likely the middle name of Mary C.

A picture of Lottie as a young lady shared by these cousins is to the right.

We do not know when Lottie died, although
